## Notes about our price list and our service:-

This price list represents the range of equipment that we normally carry in stock. Each manufacturer and importer that we deal with has a wide range of machinery that will not all be listed here so if you cannot see a machine to suit you then please contact us and we will do our utmost to help you.

We aim to provide a wide range of equipment offering good value for money at all times and with an emphasis on the better quality end of the market.

All machines that we supply will normally be fully assembled and where appropriate fuelled & oiled ready to use!

Most machines can be delivered free of charge within our local area.

We offer a **Half Price Service** on any new machines sold during the year provided that they are booked in for service during November or December which is our winter servicing period.

We provide a high quality parts and service backup for all machines that we sell.

In the event of a machine failure during the warranty period, we will give absolute priority to the repair, often providing an immediate or same-day service.

All prices quoted are inclusive of VAT at 20%

The specifications in this price list are intended as a means of comparing products within our product range. They are subject to change without notice and although we do our utmost to ensure that they are correct it is advisable to contact us to confirm exact current specifications and prices prior to purchase.

**If you do find the same machinery advertised locally or nationally at a lower price then please contact us as we will always consider matching competitors for local business.**

**Ideally we want to supply machines within our normal local delivery area (max 30 miles)** as we believe that most equipment requires regular maintenance and ready availability of spare parts. There are already too many people selling equipment via the internet, and indeed from larger stores where there is no provision for future servicing or even warranty backup by them. Prices are often attractive but **claims that national service networks are available may be misleading.** Although warranty cover is provided by the manufacturer the actual warranty repair is usually carried out by specialist dealers such as ourselves and our priority is always to look after our own customers as they are where our future lies.

\*\*\*\*\* See details of our price promise on page 2 \*\*\*\*\*

Due to the vast quantity of cordless products becoming available we have now produced a separate price list relating to them. This will offer a significant range of hand tools and mowers that can often rival the petrol powered products. Some items are included in this price list for comparison purposes.

\*\*\*\*\* See details of our price promise on page 2 \*\*\*\*\*

## TRIMMERS & BRUSHCUTTERS – Mains Electric

### Flymo Contour XT

£54.99

300w trimmer with 25cm cutting width, automatic double line feed and can be used for edging. 2.1kg. 12m cable.

## Pole / Long Reach Hedgecutters (see also Combi-Tools)

**Mitox 26LH SP** **£199.00** *rrp £219.00*  
 25cc engine. 40cm double sided cutting blades. 450mm shaft length, weighing 6.1kg. Blade cutting angle adjustable through 90 degrees.

**Mitox 28LH** **£249.00** *rrp £279.00*  
 Same as 26LH but with **heavier duty 60cm blades and 135 degree adjustment.**

**Harry PH270SS** **£459.00** *rrp £549.00*  
 Professional pole hedgecutter with 26.3cc Kawasaki TJ27 engine. **750mm (Short) shaft.** Weighs 6.0kg.

**Harry PH270LS** **£529.00** *rrp £629.00*  
 As Harry PH270SS but with **1500mm (Long) shaft.** Weighs 6.3kg.

**Maruyama AHT2630D-L** **£579.00** *rrp £729.00*  
 Professional pole hedgetrimmer with 25.4cc 0.85kw engine. 61cm blade length. Blade cutting angle adjustable through 145 degrees with fold flat option for easy storage. 6.8kg

**Stihl HL92KC-E (145)** **£709.00** *rrp £792.00*  
 ST HL92K  
 21.4cc engine. 50cm double sided cutting blades. Overall length 189cm, weighing 5.3kg. Blade cutting angle adjustable through 145 degrees.

**Stihl HL92C-E (145)** **£739.00** *rrp £822.00*  
 ST HL92  
 21.4cc engine. 50cm double sided cutting blades. Overall length 232cm, weighing 5.9kg. Blade cutting angle adjustable through 145 degrees.

**Stihl HL94C-E (145)** **£799.00** *rrp £888.00*  
 ST HL94  
 24.1cc engine. 60cm double sided cutting blades. Overall length 242cm, weighing 6.1kg. Blade cutting angle adjustable through 145 degrees.

Please note that it is also possible to purchase a brushcutter & add a hedgecutter attachment to obtain a dual purpose machine with identical performance.  
 For example:-

Maruyama MX22E Brushcutter + OPH200 attachment = **£488.00**

Maruyama MX27E Brushcutter + OPH200 attachment = **£564.00**

Stihl FS94R Brushcutter + HL attachment = **£728.00**

Combi-Tools will also make up similar units with the advantage of other uses,  
 For example:-

Stihl KM56RC-E **Engine** Unit with KM-HL 135 hedgecutter unit = **£584.00**

Stihl KM94RC-E **Engine** Unit with KM-HL 135 hedgecutter unit = **£694.00**

**Cordless / Battery Powered alternatives can be found in our separate Cordless tools Price List.**

\*\*\*\*\* See details of our price promise on page 2 \*\*\*\*\*

# Pole Pruners

## **Mitox 28PP**

**£239.00**

*rrp £259.00*

25cc engine. 25cm cutting bar. 2.1m shaft length, weighing approx 6kg.

## **Maruyama TPP2630**

**£599.00**

*rrp £749.00*

Professional pole pruner with 25.4cc 0.85kw engine. 25cm blade length. 6.5kg

## **Stihl HT103**

ST HT103

**£809.00**

*rrp £900.00*

31cc engine. 30cm cutting bar. The main shaft is **telescopic** allowing the overall length of the machine to be adjusted from 2.7m to 3.9m. 7.2kg

Please note that it is also possible to purchase a brushcutter & add a pole pruner attachment to obtain a dual purpose machine with identical performance.

For example:-

Maruyama MX22E Brushcutter + TPS200 attachment = **£448.00**

Maruyama MX27E Brushcutter + TPS200 attachment = **£524.00**

Stihl FS94R Brushcutter + HT attachment = **£628.00**

Combi-Tools will also make up similar units with the advantage of other uses,  
For example:-

Stihl KM56RC-E with KM-HT pole pruner = **£500.00**

Stihl KM94RC-E with KM-HT pole pruner = **£610.00**

**Cordless / Battery Powered alternatives can be found in our separate  
Cordless tools Price List.**

\*\*\*\*\* See details of our price promise on page 2 \*\*\*\*\*

## GENERATORS

**Loncin LC2000I** **£639.00** *rrp £797.00*

A light and quiet suitcase style generator suitable for camping or light emergency backup. 1.6kva output and 61dB weighing only 21kg.

**Loncin LC3500I-S** **£1089.00** *rrp £1365.00*

A quiet suitcase style inverter generator with higher output. 3.0kva output.

**Loncin LC2500-AS** **£379.00** *rrp £475.00*

A sturdy full framed generator suitable for backup or site use. 2.0kva output and dual voltage (110/240v). Weighs 43kg.

**Loncin LC3500I-O** **£839.00** *rrp £1050.00*

An open framed inverter generator with higher output. 3.0kva output.
